- Highlight: **350ANSI home theatre system projector**, **4.5'' LCD home theatre system projector**, **350ANSI 1080p home theater projector**

This Full HD display offers a range of sizes, from an intimate 40" up to an impressive 160".
Watch movies or play games in high quality whether you're in a small study or a spacious media room.
Intelligent Adjustments
Get the ideal picture—every time. This projector automatically adjusts the vertical keystone alignment, eliminating tilts and distortion for crisp, incredible views.
Suited for any space
Designed to carry in one hand, this projector is light and compact enough to be taken anywhere.
Plus, transform even small spaces into a home theater.
Highlights:
Native Pixels: 1920*1080P
230Ansi 40"~160"Adjustable projection size
Auto Focus Auto Keystone & G-sensor Correction
LED Light, Longer Usage Time
The projector uses a high-quality LED light source with strict quality control,
and the life of the light source is longer than that of traditional bulb projectors.
Intelligent Screen Alignment
Intelligent screen detection to automatically match your screen size with the
size of the projected image

Versions options:
Basic(HDMI)
