Product Description

Highlights: Mini size and light weight, easy to use

- With native 1080P resolution, 320 ANSI brightness, this projector is at least 90% brighter and clearer than other 1080P projectors. It delivers high clarity, contrast, and rich color for each detail on display. Whether day or night, at home, outdoors, or in business meetings, indulge in the ultimate joy of projection anytime, anywhere
- Auto Focus & Keystone and 180° Rotatable Stand, it can automatically adapt to any wall and remove the restriction of placement. 180° rotatable Stand simplifies the installation and realizes the best projection effect in any scene
- Pico, Internet Ready, Internet Built-In, Built-In Speakers, pocketable, HIFI STEREO
- Unlock New Perspective Anywhere: 360° horizontal & 135° vertical adjustment available. Pan and tilt it from wall to ceiling, take it from room to the yard, and the Intelligent dynamics tracking will offer clear images through real-time keystone correction and auto focus.

Application:

Widely used at home, office, meeting room, classroom, hotel, hospital, school, factories and son on.
