

Long Throw ALR Fabric Large Electrical Projection Screens High Strength frame

Our Product Introduction

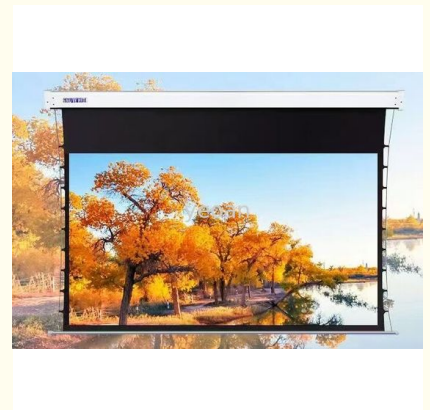

Basic Information

- Brand Name: Yeoan or OEM
- Model Number: BX-SM100
- Minimum Order Quantity: 20
- Price: negotiate
- Delivery Time: 30 working days
- Payment Terms: L/C, T/T, Western Union

Product Specification

- Size: 50"- 300"
- Frame Material: Al. Alloy With Painting
- Material: Long Throw ALR Fabric - Self-owned Invention Patent
- Mount Type: Wall Mounted

Product Description

LONG THROW ALR screen

·Features

With a 1cm frame, the material selection and design of the narrow frame tend to be simple and look very high-end.

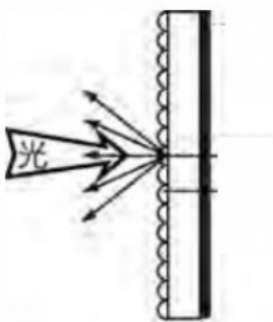

Ultra-wide viewing angle ensures that there will be no optical shadows when viewing the image at any angle.

Excellent ability to resist ambient light interference. Compared with ordinary diffuse reflection white screen, the image contrast is increased by 100%

Using the principle of diffuse reflection of light, the surface is specially treated to make the screen smooth and clean

In bright indoor environments, it can still maintain vivid colors and clear images

Imaging sections

Uniform distribution of titanium dioxide nano-scale silver crystals

Light-transmitting absorption layer

Reflection perspective layer
